Hazelwood & Hill

Not just a timber mouldings specialist...
a full service timber merchant.

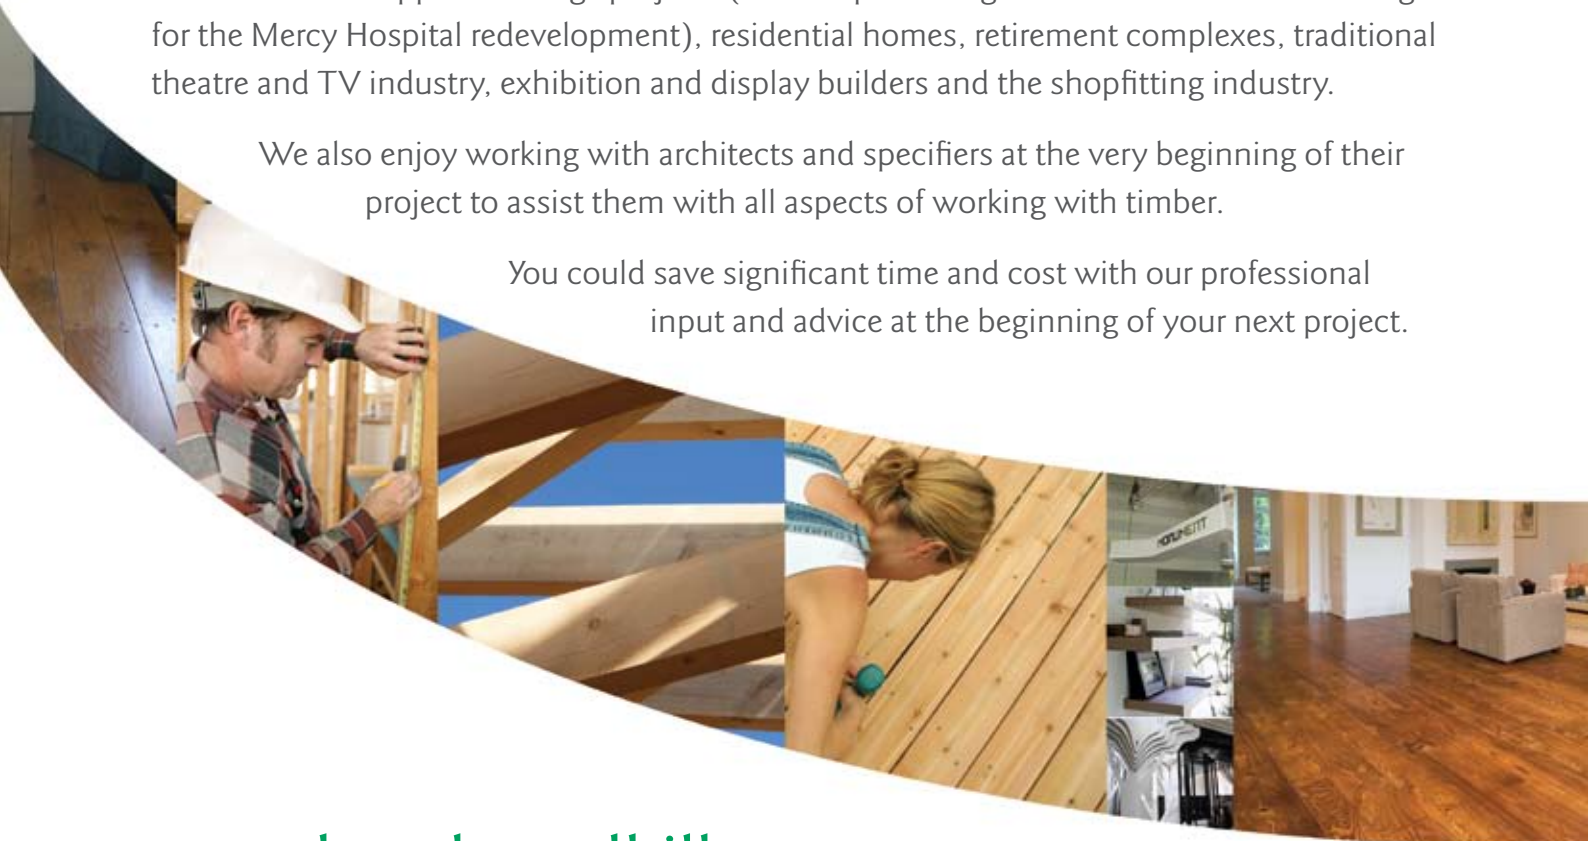

Hazelwood & Hill has built an excellent reputation in the Melbourne building industry for:

- exceptionally high level of service we have always provided to our customers
- huge product range servicing domestic and commercial builders
- specialised product knowledge built up over decades
- timber flooring specialist - Australian and imported species
- cedar products specialist
- the high quality of mouldings produced through our own machining facility
- prompt and friendly delivery service with a full fleet of trucks on the road daily
- professional crane delivery service.

Our customers include quality builders throughout Melbourne, small, medium and large. We are trusted suppliers to large projects (such as producing all the American Oak flooring for the Mercy Hospital redevelopment), residential homes, retirement complexes, traditional theatre and TV industry, exhibition and display builders and the shopfitting industry.

We also enjoy working with architects and specifiers at the very beginning of their project to assist them with all aspects of working with timber.

You could save significant time and cost with our professional input and advice at the beginning of your next project.

Hazelwood & Hill are timber mouldings specialists based in Melbourne.

This catalogue is intended to be a guide to choosing a beautiful moulding for your next project.

However, many mouldings can be created to your own specifications. If you are renovating, we can match exactly your existing skirting, architraves and mouldings.

Mouldings are created from any species that are commercially available such as American Oak, Jarrah, Tasmanian Oak, Radiata Pine, Victorian Ash, Hoop Pine, Western Red Cedar and MDF. Mouldings can be painted or stained to suit your decor.

We manufacture to order, although we do keep some of the most popular profiles in stock - labelled "Stock" in this catalogue.

We would be delighted to advise you on your next project. Just give us a call on 9808 5522.

How to order your moulding

Ordering your moulding is simple.

We just need the answers to a few questions:

1. Are you painting or staining your moulding?
This will determine which timber you choose.
If you are painting, choose Pine or MDF.
2. Choose the appropriate timber species
3. Choose your moulding number
4. Work out the quantity required.

~~~~~

Please call our friendly staff on 03 9808 5522  
to help you with these questions.

~~~~~

If you wish to match an existing moulding,
we require:

1. A sample or “to scale” drawing
2. Timber species required
3. Quantity required
